Vote for the school bonds next Monday.

Good schools have never yet hurt a community.

A vote for the school bonds next Monday is a vote for progress.

Do not allow a matter of a few cents a year to keep us from having a good school building.

"My boys are educated but I want to see my neighbors' children get the best educational advantages" is the right spirit.

Education means so much to the children we can't afford to fail to provide an adequate school building. Let's be willing to pay the small increase which will be necessitated by the bond issue and have a good building for Carthage.

Happy is the man that findeth wisdom and the man that getteth understanding.

Better is little with the fear of the Lord than great treasure and trouble therewith.

By the blessing of the upright, the city is exalted; but is overthrown by the mouth of the wicked.

If you are progressive, if you want to build up the town, if you love children, if you want to see them well educated, if you want them to compete with children of other counties, if you want to see building of which we can be proud, vote for the bond issue next Monday.

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

THEDFORD'S BLACK-DRAUGHT

in my home." For constipation, indigestion, headache, dizziness, malaria, chills and fever, biliousness, and all similar ailments, Thedford's Black-Draught has proved itself a safe, reliable, gentle and valuable remedy.

If you suffer from any of these complaints, try Black-Draught. It is a medicine of known merit. Seventy-five years of splendid success proves its value. Good for young and old. For sale everywhere. Price 25 cents.

thority, the people rejoice, but when the wicked beareth rule the people mourn.

Who keepeth his mouth and his tongue, keepeth his soul from trouble.

Judgments are prepared for scorners, and stripes for the back of fools.

A false balance is abomination to the Lord, but a just weight is the delight.

A merry heart doeth good like a medicine, but a broken spirit drieth the bones.

He that hath no rule over his own spirit is like a city that is broken down, and without walls.
